ROLLERMOUSE MOBILE WINS PRESTEGIOUS RED DOT DESIGN AWARD

Contour Design wins the international Red Dot Design award for excellence in product design.

Windham, NH – June 2021— Contour Design, is proud to announce that RollerMouse Mobile has received the prestigious Red Dot Design Award for exceptional design quality by an international panel of judges. RollerMouse Mobile joins Contour Design's Unimouse and RollerMouse Red as Red Dot Award recipients.

Red Dot founder and CEO Professor Dr. Peter Zec on the laureates: "The winners of the Red Dot Award: Product Design 2021 were particularly impressive this year. The design of their products is excellent, in terms of both aesthetic and functionality. It is not easy to prevail in such a strong field of competitors and to win over our jury. Consequently, I want to congratulate the laureates very sincerely on their success,"

Contour Design's CTO Marco Laurenzano on designing the RollerMouse Mobile, "We set out to bring the RollerMouse experience to a world of mobility and flexible workspace without compromises. We responded to the challenge with both technical innovation and a new compelling design which shows character and originality. This award makes us not only proud but also supports our intuition of being on the right track of taking the RollerMouse to new heights."

About the Red Dot Design Award: In order to appraise the diversity in the field of design in a professional manner, the Red Dot Design Award breaks down into the three disciplines of Red Dot Award: Product Design, Red Dot Award: Brands & Communication Design and Red

Dot Award: Design Concept. With more than 18,000 entries, the Red Dot Award is one of the world's largest design competitions. In 1955, a jury convened for the first time to assess the best designs of the day. In the 1990s, Red Dot CEO Professor Dr. Peter Zec developed the name and brand of the award. Ever since, the sought-after distinction "Red Dot" has been the revered international seal of outstanding design quality. The award winners are presented in the yearbooks, museums and online.
